IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

May 6, 2025

To officially declare May 1st, 2025, as DC Statehood Day in the District of Columbia.

WHEREAS, the District of Columbia's more than 700,000 citizens pay more federal income taxes than 22 states, and more federal income taxes per capita than any state;

WHEREAS, the United States Constitution, as ratified in 1788, provided the right to vote for representation in Congress to the "People of the several States" of the United States, which included citizens living on the land that would later be designated by the federal government for the nation's capital as ceded by Maryland and Virginia to become the District of Columbia;

WHEREAS, despite the provision of the right of vote in the Constitution, through the enactment of the "District of Columbia Organic Act of 1801", DC residents were disenfranchised from voting for representative Members of Congress more than 200 years ago;

WHEREAS, the District of Columbia has more citizens than the States of Vermont and Wyoming, and almost as many as Alaska and North Dakota;

WHEREAS, the citizens of the District of Columbia continue to express their determination to achieve full representation by electing 2 United States Senators and a United States Representative to advocate for statehood and full democracy;

WHEREAS, citizens of the District of Columbia bear all the responsibilities of citizenship, including fighting in wars and serving in the military, paying federal income taxes, and serving on federal juries;

WHEREAS, no other democratic nation denies basic rights of self-government, including participation in the national legislature, to residents of its capital;

WHEREAS, the United Nations Human Rights Committee has released statements expressing concern over this denial of representation to citizens in DC;

WHEREAS, the Organization of American States (OAS), to which the United States is a signatory, has described the disenfranchisement of DC residents as a violation of its charter agreement;

ENROLLED ORIGINAL

WHEREAS, Congress often interferes in legislation passed by DC's locally elected officials by enacting spending restrictions on DC revenue, violating the fundamental principle that state and local governments are best suited to follow the will of their citizens;

WHEREAS, despite nearly 3 decades of balanced budgets, DC faces the possibility each year of being shut down because of congressional interference, threatening both DC and national security;

WHEREAS, it has been more than 60 years since the passage of the Civil Rights Act, and more than 50 years since the District of Columbia was granted limited home rule, and the residents of the District of Columbia have yet to receive the same rights as the residents of the 50 states.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "DC Statehood Day Recognition Resolution of 2025."

Sec. 2. The Council of the District of Columbia hereby declares May 1st, 2025 to be DC Statehood Day and encourages leaders and residents to discuss statehood for the District of Columbia in high-profile settings to educate Americans regarding the lack of congressional voting representation and full budget autonomy for the residents of the District.

NOTICE OF FINAL RULEMAKING
Z.C. CASE NO. 23-27¹**

Office of Planning

**(Zoning Text and Map Amendments to Create the Navy Yard East (NYE) Zone; and to
Zone the Unzoned Navy Yard East Site with IZ @ Square 955, Lots 804-809)**

February 27, 2025

The Zoning Commission for the District of Columbia (Commission), pursuant to its authority under § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code § 6-641.01 (2018 Repl.)), and pursuant to § 6 of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505 (2016 Repl.)), hereby gives notice of amendments to the Zoning Map to create and map a new Navy Yard East (NYE) zone and amendments to the following sections of the Zoning Regulations (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all references are made unless otherwise specified), with the text at end of this notice.

PETITION

The text amendments do the following to create a new NYE zone:

- Amend Subtitle A § 101, INTERPRETATION AND APPLICATION, to add the new NYE zone to the list of mixed use zones;
- Amend Subtitle B, § 318, RULES OF MEASUREMENT FOR REAR YARDS, to reference the new NYE zone;
- Amend Subtitle C, Chapter 10, INCLUSIONARY ZONING, to add references to the new NYE zone to the Inclusionary Zoning (IZ) provisions;
- Amend Subtitle K to add a new Chapter 13, NAVY YARD EAST (NYE) ZONE, to add the new NYE zone;
- Amend Subtitle W, Chapter 1, BOUNDARIES, to add a new § 125 describing the area where the new NYE zone applies; and
- Amend Subtitle X § 502, INCLUSIONARY ZONING PLUS, to add a reference to the new NYE zone as exempt from IZ Plus.

SETDOWN AND RE-SETDOWN

On December 4, 2023, the Office of Planning (OP) filed a report that served as a petition requesting amendments to the Zoning Regulations and Map (OP Setdown Report) (Exhibit [Ex.] 2). The area covered by the proposed text and map amendments is unzoned land owned by the United States Department of the Navy (Navy) and consists of approximately 15 acres (approximately 653,400 sq. ft.) in the southeast corner of the Washington Navy Yard, also known as the O Parcels (the Property).

¹ For Office of Zoning tracking purposes only, this Notice of Final Rulemaking shall also be known as Z.C. Order No. 23-27.

At its December 14, 2023 public meeting, the Commission voted to set down the proposed text and map amendments for a public hearing as a rulemaking case. The OP Setdown Report served as the pre-hearing filing required by Subtitle Z § 501.²

After the original petition was setdown on December 14, 2023, OP continued its collaboration with the Navy, the National Capital Planning Commission (NCPC), and the District of Columbia (District) to finalize the Washington Navy Yard Southeast Corner Master Plan (Master Plan),³ and to refine the zoning text to be consistent with the approved Master Plan and the Section 106 Programmatic Agreement.

On April 22, 2024, the Navy, NCPC, and the District entered into a Memorandum of Understanding (MOU) which outlines the Master Plan and the zoning process to ensure that all legal authorities are met, and that the Navy has a predictable process for updating the Master Plan and implementing development of the O Parcels through zoning. OP submitted the MOU to the case record together with a supplemental report (Amendment to the OP Setdown Report) requesting amendments to the original petition to reflect the terms of the MOU (Ex. 2A, 4).

On September 12, 2024, the Commission re-setdown the proposed text and map amendments originally proposed by OP to include amendments to the text based on the MOU. Primarily, the revisions to the originally proposed text amendments consist of the following:

- The proposed new NYE zone would not be subject to Inclusionary Zoning (IZ) Plus, as originally proposed. Instead, the proposed new zone would require an IZ set-aside of eight percent (8%) of gross floor area for residential rental dwelling units and an IZ set-aside of eight percent (8%) gross floor area for any residential penthouse habitable space. The MOU includes an additional seven percent (7%) rental IZ subject to Low Income Housing Tax Credits (LIHTC) and/or Housing Production Trust Fund (HPTF) funding; and eight percent (8%) of ownership gross floor area shall be set aside for Disabled Veterans outside of the IZ program;
 - Require that any portion of a building or structure exceeding one hundred ten feet (110 ft.) shall provide a 1:1 step back at one hundred ten feet (110 ft.) from the building lot line along Parsons Avenue, S.E.;
 - Require a projection clearance of forty feet (40 ft.) minimum above which projections and open and unenclosed balconies may project to a depth of no more than fifteen feet (15 ft.);
 - Permit enclosed projections of no more than fifteen feet (15 ft.) deep for no more than fifty percent (50%) of a building façade width facing the waterfront;
 - Add references to the Master Plan; and
 - Other minor clarifications.
- (Ex. 2A).

² The originally submitted Petition included development standards and requirements that applied Inclusionary Zoning Plus, a higher affordable housing set-aside, to the new proposed zone; and required a lower 1:1 setback height limit, a lower minimum clearance for projections, and a lower permitted projection depth compared to the Petition as revised in the amended OP setdown report, which is discussed immediately below (Ex. 2).

³ NCPC approved the final Master Plan on May 2, 2024.

OP SETDOWN REPORT⁴

The OP Setdown Report, as revised by the Amendment to the OP Setdown Report (collectively, the OP Setdown Report) is summarized below (Ex. 2, 2A).

Background

The OP Setdown Report stated that since 2021, OP has been working with the General Services Administration (GSA), Navy Yard, and a private developer on a development plan and draft zoning that would facilitate the development of a mix of housing, office, and retail uses on the Property. The new NYE zone would further the goals of the Master Plan, which calls for mixed use development, an urban-style street grid, varied building heights to protect views and to complement historic buildings and landscapes, and protection of certain open spaces on and around the site (Ex. 2, 2A).

Property Description

The OP Setdown Report stated that the Property consists of approximately 15 acres (approximately 653,400 sq. ft.) of unzoned land in the southeast corner of the Washington Navy Yard that is generally bounded by O Street, S.E. to the north; 11th Street, S.E. to the east; Sicard Street, S.E. to the west; and the Anacostia River to the south. Portions of the Property are within or adjacent to the Navy Yard National Historic Landmark, the National Register of Historic Places listed Navy Yard Historic District, and the Navy Yard Eastern Extension Historic Eligible District (Ex. 2, 2A).

Proposed Text and Map Amendments

The proposed text and map amendments to create a new NYE zone would provide for the following:

- The NYE zone would permit a maximum density of 7.0 floor-area-ratio (FAR), with an additional 1.0 FAR permitted for residential uses subject to the Commission's approval;
- The maximum building height in the NYE zone would be the height as permitted under the Height Act, except that no additional height would be allowed on Buildings 68, 70, and 123, and any portion of a building or structure that exceeds one-hundred ten feet (110 ft.) in height shall provide a one-to-one (1:1) step-back from the building lot line along Parsons Avenue, S.E.; and
- The NYE zone would require a standard IZ set-aside of eight percent (8%) of the gross floor area dedicated to residential rental dwelling units.

(Ex. 2, 2A).

The development parameters included in the proposed text for the new NYE zone are more fully summarized in the table immediately below:

PROPOSED NAVY YARD EAST (NYE) ZONE	
Permitted Uses	Use Group F
Height	Heights based on Height Act with exceptions described immediately above
Floor Area Ratio	7.0 max. / 8.0 max. if 1.0 used for residential uses

⁴ The following discussion is of the OP Setdown Report as revised by the Amendment to the OP Setdown Report at Ex. 2A and inclusive of the text of the MOU at Ex. 4.

	PROPOSED NAVY YARD EAST (NYE) ZONE
Penthouse Height	20 feet max. 1 story, but can include a mezzanine
Lot Occupancy	80% max. for residential uses
Rear Yard	2.5 in. per one foot of height but not less than twelve feet

Comprehensive Plan

The OP Setdown Report concluded that the proposal would not be inconsistent with the Comprehensive Plan maps and policies, including when viewed through a racial equity lens, and would further specific policies and goals of the Land Use, Transportation, Housing, Environmental Protection, Economic Development, Parks Recreation and Open Space, Urban Design, and Historic Preservation Elements, and the Lower Anacostia Waterfront and Near Southwest Area Element (Ex. 2, 2A).

The OP Setdown Report found that the proposal would not be inconsistent with the Property's designation on the Future Land Use Map of the Comprehensive Plan as Federal or its designation on the Generalized Policy Map of the Comprehensive Plan as Federal Lands and within a Resilience Focus Area. The OP Setdown Report noted that the proposed zoning includes provisions related to environmental and site resilience standards (Ex. 2, 2A).

Racial Equity

The OP Setdown Report concluded that the proposal would further Comprehensive Plan racial equity policy goals and objectives. The currently unzoned Property site does not permit housing. This limits the potential to provide a greater number of housing units to DC residents of all income levels but particularly to lower income households. The proposed zoning would permit multi-family housing development to provide substantially more housing units, including a variety of household sizes to accommodate varied income levels, and has the potential to increase the total housing supply in the planning area, which could help to alleviate pressure on housing costs overall. In addition, the proposed zoning would allow for commercial uses and related potential revenue and employment opportunities. Further, the development facilitated through the proposal would result in environmental improvements to this section of the Anacostia Waterfront, improvements to the Riverwalk, and amenities to the residents of the neighborhood and the District as a whole (Ex. 2, 2A).

⁵ The text amendments proposed in the original Petition required a minimum clearance of twenty feet (20 ft.) for projections and balconies, which was revised by the MOU and increased to forty feet (40 ft.) in the Amendment to the OP Setdown Report (Ex. 2, 2A, 4). In addition, the text amendments proposed in the original Petition permitted projections and open and unenclosed balconies to project to a depth of no more than eight feet (8 ft.); and enclosed projections of no more than four feet (4 ft.) deep for no more than fifty percent (50%) of a building façade width facing the waterfront (Ex. 2). The revisions in the MOU increased the permitted depth to no more than fifteen feet (15 ft.) deep for projections and both open and enclosed balconies (Ex. 2A, 4).

Community Outreach and Engagement - The OP Setdown Report did not include a discussion of its community outreach and engagement efforts; however, OP provided this discussion in its Hearing Report, which is discussed below.

Disaggregated Race and Ethnicity Data - The OP Setdown Report included disaggregated race and ethnicity data for the Lower Anacostia Waterfront and Near Southwest Planning Area showing population growth over the 2012-2016 and 2018-2022 time periods, resulting in demand for housing and services. Between 2012-2022, the Planning Area had a lower percentage of Black residents compared to the Districtwide average, with thirty-nine percent (39%) of residents being Black in 2012-2016 compared to forty-eight percent (48%) Districtwide, and twenty-nine and two-tenths percent (29.2%) of residents being Black in 2018-2022 compared to forty-four and three-tenths percent (44.3%) Districtwide. The percentage of owner households in the Planning Area during 2018-2022 was twenty-four and four-tenths percent (24.4%), which is lower than the District percentage of forty-one and four-tenths percent (41.4%) during the same period. This is the case for all groups, but is particularly pronounced for Black, Hispanic, and American Indian households. In 2017, about seventy-one percent (71%) of the housing stock was located in buildings with twenty (20) or more units, which is more than twice the District-wide proportion of thirty-five and four-tenths percent (35.4%). OP concluded that the provision of housing units on the currently unzoned Property where housing is not permitted has the potential to increase the housing supply in the Planning Area for a variety of household sizes and income levels, including lower-income households, and alleviate housing costs burdens overall (Ex. 2, 2A).

Displacement - The OP Setdown Report noted that the proposal would not result in direct displacement as there are no residential uses or business uses on the Property (Ex. 2, 2A).

The Anacostia Waterfront Initiative and Master Plan

The OP Setdown Report concluded that the proposal would further the Anacostia Waterfront Initiative goal to establish a continuous Riverwalk; the overarching environmental policies of the Sustainable DC 2.0 plan by including LEED Gold, GAR, and renewable energy requirements. Further, because the site is within a Resilience Focus Area, the DC Department of Energy and Environment has been involved in the discussions regarding the proposal and the proposed text includes provisions related to environment and site resilience standards; however, such review would also occur as part of any building permit process. The OP Setdown Report also concluded that the proposal would further the Master Plan goal for future residential, office and commercial uses on the 15-acre Property with redevelopment of new buildings of between one hundred ten feet (110 ft.) to one hundred thirty feet (130 ft.) in height. The OP Setdown Report noted that existing historic structures range in height between twenty-five (25) to fifty-five (55) feet (Ex. 2, 2A).

NOTICE

Pursuant to Subtitle Z § 502, the Office of Zoning (OZ) sent notice of the December 12, 2024 public hearing, on October 17, 2024, and published notice of the public hearing in the October 18, 2024, *District of Columbia Register* as well as on the calendar on OZ's website (Ex. 7-9).

ANC HEARING REPORT

Advisory Neighborhood Commission (ANC) 6B filed a written report in response to the Petition, stating that at its regularly scheduled and properly noticed meeting on October 8, 2024, with a quorum present, the ANC voted 8-0-0 in support of the proposal (Ex. 20). The ANC 6B report does not cite any issues and concerns.

ANC 8F did not submit a response to the Petition.

OP HEARING REPORT

On December 2, 2024, OP filed a hearing report in support of the Petition (OP Hearing Report) (Ex. 11). The OP Hearing Report largely reiterated OP's findings in its OP Setdown Report that the proposal would not be inconsistent with the Comprehensive Plan maps and policies, including when viewed through a racial equity lens, as well as the Anacostia Waterfront Initiative, the Sustainable DC 2.0 plan, and the Master Plan (Ex. 11).

Community Outreach and Engagement - The OP Hearing Report included a discussion of OP's community outreach and engagement regarding the proposal, which included public notices and announcements, community meetings, a dedicated website, and ANC Commissioner tours for ANCs 8F and 6B along with hosting six ANC meetings between the two ANCs (Ex. 11).

PUBLIC COMMENTS

Prior to the December 12, 2024 public hearing, the Commission received comments and written testimony in the record including several letters in support of the proposal and a letter in opposition from The Committee of 100 (Ex. 5, 13-16, 18, 19).

Support

The comments and written testimony in support of the proposal noted the following⁶:

- The proposal will facilitate new multi-family rental units, including affordable units, and potentially for-sale housing units within the Lower Anacostia Waterfront and Near Southwest Planning Area as well as the creation of open space and parks along a vibrant waterfront promenade and full-time employment opportunities upon construction completion;
- The proposal will positively contribute to the economic growth and cultural vitality of the Capitol Riverfront by facilitating housing units, additional residents, and additional neighborhood serving retail opportunities;
- The proposal will facilitate the substantial redevelopment and restoration of underutilized federal land within the Capitol Riverfront, with an emphasis on creating inviting, accessible space, including increased access to historical sites, and maintenance and improvement of the Anacostia Riverwalk Trail; and
- The proposal will enhance connections to and from the 11th Street Bridge Park along the Anacostia Riverwalk Trail, deliver a more vibrant and activated Anacostia waterfront, and provide significant economic and social opportunities on both sides of the river.

(Ex. 13-16).

⁶ The list below is a summary of the main arguments in support of the proposal and is not intended to be exhaustive.

Opposition

The Committee of 100's letter in opposition raised the following issues regarding the proposal:

- The Petition's proposal to require an eight percent (8%) IZ set-aside in the NYE zone is insufficient. Instead, the Commission should require an IZ set-aside of at least twenty percent (20%) in the new NYE zone. While the MOU contemplates an additional seven percent (7%) set-side for rental IZ subject to LIHTC and/or HPTF funding, the Committee of 100 stated that this is an illusory promise given funding constraints and would nevertheless be objectionable since it would concentrate affordable housing in a single building and would at most result in a total set-aside of fifteen percent (15%); and
- The new NYE zone misapplies the Height Act and would result in excessively tall buildings next to the Navy Yard National Historic Landmark District, where the tallest buildings range from twenty-five (25) to thirty-five (35) feet high. The Committee of 100 stated that the NYE zone's proposed maximum height of one hundred ten feet (110 ft.) to one hundred thirty feet (130 ft.) is excessive, and urged the Commission to limit heights in the new NYE zone to ninety feet (90 ft.) with step backs. The Committee of 100 also stated that the properties subject to the new NYE zone should be deemed to have a frontage on O Street (instead of 11th Street), which would result in a lower maximum height and setbacks that are more compatible with the National Historic Landmark District and proportionate to adjacent streets.

(Ex. 19).

PUBLIC HEARING

At its December 12, 2024 public hearing, the Commission heard testimony from OP in support of the Petition. The Commission also heard testimony from The Committee of 100 in opposition to the Petition for the reasons summarized above.

In response to the issues raised by The Committee of 100, OP testified that a higher affordable housing set-aside should not apply to the new NYE zone because the site is a unique property owned by the Navy but to be developed by a private developer. The Property is subject to both federal planning and local zoning and will have, in conjunction with an eight percent (8%) IZ set aside, additional affordable housing requirements as outlined in the MOU, including an eight percent (8%) set-aside for disabled veterans outside the IZ Program and an additional seven percent (7%) set-aside within the IZ Program subject to LIHTC/HPTF funding. Furthermore, OP testified that the maximum heights specified for the new zone are in accordance with the Height Act. OP noted that O Street cannot be used to measure height as a frontage because it is a private street. Furthermore, the Zoning Administrator is the arbiter of the Height Act and has determined that the subject properties' frontage is properly on 11th Street.

PROPOSED ACTION

At the December 12, 2024 public hearing, summarized above, the Commission questioned OP and The Committee of 100, including questions on the development standards/requirements and the design review criteria for the proposed new NYE zone. Specifically, the Commission questioned OP on whether the proposed design review language should include requirements about minimizing detrimental impacts to the waterfront and adjacent historical structures. In response, OP explained that it did not include such language because any design for the site will go through Commission of Fine Arts review, the language as proposed requires referral of each design review

application to the DC State Historic Preservation Office for review, and one of the main principles of the Master Plan is historic sensitivity.

At the close of the December 12, 2024, public hearing, the Commission voted to take **PROPOSED ACTION** to adopt the Petition, as revised by OP to include text based on the MOU, and to authorize the publication of a Notice of Proposed Rulemaking (NPR):

VOTE (December 12, 2024): 3-0-2 (Gwen Marcus Wright, Tammy Stidham, and Anthony J. Hood to **APPROVE**; Robert E. Miller and Joseph Imamura not present, not voting)

NCPC REFERRAL AND PUBLICATION OF NOTICE OF PROPOSED RULEMAKING (NPR)

The Commission referred the proposed text amendment to the NCPC on December 13, 2024 for the thirty (30)-day review period required by § 492(b)(2) of the District Charter (Dec. 24, 1973, Pub. L. 93-198, title IV, § 492(b)(2)); D.C. Official Code 6-641.05 (2018 Repl.)) (Ex. 21).

NCPC filed a February 7, 2025 report⁷ stating that at a meeting on February 6, 2025, NCPC voted to approve the proposed text and map amendments and found that they would not be inconsistent with the federal elements of the Comprehensive Plan for the National Capital and would not adversely impact any other identified federal interests (Ex. 25).

OZ published a Notice of Proposed Rulemaking in the January 24, 2025 issue of the *District of Columbia Register* (72 DCR 000617 *et seq.*) (Ex. 23, 24).

COMMENTS IN RESPONSE TO THE NPR (AND COMMISSION RESPONSES)

Prior to its February 27, 2025 public meeting, the Commission received one comment in response to the Notice of Proposed Rulemaking from The Committee of 100 (Ex. 26). In its comments, The Committee of 100 reiterated its arguments from its previous comments and testimony in opposition and stated that IZ Plus should apply to the NYE zone because neither OP nor OZ have presented any “mitigating circumstances” for why the NYE zone should be exempt from IZ Plus. The Committee of 100 also stated that the new NYE zone misapplies the Height Act as measured from the 11th Street frontage and that the NYE zone’s maximum height should be decreased to 90 feet above the natural grade to be more compatible with the surrounding area.

At its February 27, 2025 public meeting, the Commission addressed the comments submitted by The Committee of 100 in response to the Notice of Proposed Rulemaking. The Commission did not find The Committee of 100’s arguments persuasive for the following reasons:

- In response to The Committee of 100’s comment requesting the Commission apply IZ Plus to the NYE zone, the Commission concludes that the NYE zone should be subject to regular IZ

⁷ The NCPC Report states: “The proposed text and map amendments will apply zoning to land that is under federal ownership, but will be subject to a long-term lease with a private developer [and] this area is subject to the [Master Plan], which NCPC approved on May 2, 2024. The master plan allows a range of uses, including retail, residential, hospitality, office, and open spaces. Building heights will range from one to two stories, including the preserved historic buildings, up to 130 feet for some of the new construction. The proposed massing and building configurations were subject to consultation in the Section 106 process, which resulted in a signed Programmatic Agreement (PA) prepared pursuant to the National Historic Preservation Act (NHPA). Under the master plan approximately 1.7M square feet of development is proposed.”

requirements, and IZ Plus should not apply because the new zone includes alternative (i.e., non-IZ) affordability requirements, as summarized above, which could result in a total IZ rental set-aside of fifteen percent (15%) (subject to LIHTC/HPTF funding); in addition to an eight percent (8%) set-aside of ownership units for disabled veterans outside the IZ program. With regard to The Committee of 100's claim that neither OP nor OZ presented "mitigating circumstances" as to why the NYE zone should be exempt from IZ Plus, the Commission notes that the provision cited by The Committee of 100 (*see* Subtitle X § 502.2(c)) requires "mitigating circumstances" to be identified in an OP report recommending that a map amendment not be subject to IZ Plus when the Commission is determining whether a map amendment is exempt from the requirements of Subtitle X § 502.1. However, because the Petition involves both text amendments to create a new zone and a map amendment to map the new zone, neither Subtitle X § 502.2(c) nor Subtitle X § 502.1, which automatically applies IZ Plus to certain map amendments specifically, are applicable to this Petition. When the Commission creates a new zone, it has the authority to apply or not apply IZ Plus to the newly created zone based on the specific factual circumstances of the case; the Commission exercises this authority by electing to add (or not add) the new zone to the list of zones that are exempt from IZ Plus under Subtitle X § 502.2(b). Here, the Commission exercised its discretion in determining that the new NYE zone should be exempt from IZ Plus and added to Subtitle X § 502.2(b) based on its judgment that IZ Plus should not apply to the NYE zone because developments within the zone will be subject to additional non-IZ affordability requirements. The Commission notes that it has previously exempted other newly created zones cited in Subtitle X § 502.2(b) (e.g., the Barry Farm (BF) zones, the Hill East (HE) zones, etc.) from IZ Plus based on the specific factual circumstances and affordability goals of those zones; and

- In response to The Committee of 100's comment regarding the NYE zone's alleged misapplication of the Height Act, the Commission concludes that it does not apply the Height Act and is not applying the Height Act with these amendments by citing to it in the new zone's development standards related to height (*See* Subtitle K § 1002.3, 1301.2). Applications of the Height Act are within the jurisdiction of the Zoning Administrator and, as a part of that authority, the Zoning Administrator takes measurements and calculates building heights to determine compliance with the Height Act (*See* D.C. Code Section 6-601.05). Here, the Commission is approving amendments which only clarify that building heights in the NYE zone shall comply with the Height Act. Any proposed heights associated with future development in the proposed new zone would be reviewed and interpreted with regard to Height Act compliance by the Zoning Administrator at the building permit stage. Therefore, the Commission does not believe it is "misapplying" the Height Act and leaves the question of which street should be used to measure building heights in the NYE zone to be addressed by the Zoning Administrator in applying the Height Act. The Commission notes that should any person or organization find the Zoning Administrator's application of the Height Act improper with regard to the new zone, there is a process for appealing such determinations which does not involve the Zoning Commission.

CONCLUSION

Subtitle X § 500.3 and 1300.2 require the Commission to find that a map amendment and a text amendment petition are not inconsistent with the Comprehensive Plan and with other adopted public policies and active programs related to the subject property and text. In addition, the

Commission is required to find that petitions for creation of a new zone shall be consistent with the conditions of Subtitle X § 400.

Amendments are not inconsistent with the Comprehensive Plan

The Commission agrees with the OP Reports that the proposed amendments, inclusive of amendments to reflect the terms of the MOU, will create a new zone in Navy Yard and provide for a design review process that will facilitate the development of a mix of residential and commercial uses on a large tract along the waterfront at an appropriate scaling and massing that reflect the planning and zoning priorities for the site as determined and agreed upon by the District, the Navy, and NCPC.

Based on the entire case record, including the Comprehensive Plan analyses included in the OP Reports, the Commission concludes that the proposed amendments are on balance not inconsistent with the Comprehensive Plan maps and policies, including when viewed through a racial equity lens; and would not be inconsistent with other adopted public policies and active programs related to the proposed amendments. The Commission notes that the Property is designated Federal on the Comprehensive Plan's Future Land Use Map and Federal Lands on the Comprehensive Plan's Generalized Policy Map as well as within a Resilience Focus Area. The Commission is persuaded by OP's finding in its reports that the amendments would not be inconsistent with these designations because the development parameters of the NYE Zone are consistent with what the Comprehensive Plan envisions for development of these areas; and because the new NYE zone includes provisions related to environmental and site resilience standards that are appropriate given the zone's location on the Anacostia River.

The Commission believes the amendments would further multiple Comprehensive Plan policies and goals of the Land Use, Transportation, Housing, Environmental Protection, Economic Development, Parks Recreation and Open Space, Urban Design, and Historic Preservation Elements as well as the Lower Anacostia Waterfront/Near Southwest Area Element, by facilitating the development of a new mixed-use waterfront neighborhood on underutilized land that will provide market-rate and affordable housing as well as retail, employment, and recreation opportunities for District residents. The Commission believes the amendments will further the strategies of the Master Plan, which envisions the development of residential, office, and commercial uses on the Property; as well as the critical themes of the Anacostia Waterfront Initiative, which encourage the establishment of a continuous riverwalk along the Anacostia River. While OP did not identify any potential Comprehensive Plan inconsistencies in its reports, the Commission believes that any inconsistencies that may exist, specifically with regard to building heights in relation to the surrounding neighborhood context, are outweighed by the proposal's overall consistency with the aforementioned policies which encourage mixed-use developments on large, underutilized sites in amenity-rich and transit-accessible locations.

Racial Equity

The Commission agrees with the OP Reports that the proposal will advance Comprehensive Plan racial equity policy goals and objectives, primarily because the proposal will facilitate development of housing and neighborhood-serving retail on a currently underutilized site as well as employment opportunities and improvements to the waterfront. The Commission finds that OP's racial equity analysis in its reports adequately addresses the components of the Commission's

revised Racial Equity Analysis Tool and includes disaggregated race and ethnicity data for the Lower Anacostia Waterfront / Near Southwest Planning Area, in which the Property site is located; and information on OP's community outreach and engagement efforts.

Disaggregated Race and Ethnicity Data - OP's racial equity analysis included data from the 2012-2016 and 2018-2022 timeframes showing that the Planning Area had a lower percentage of Black residents compared to the Districtwide average. The percentage of owner households in the Planning Area was also lower than the District percentage during the same period, and this disparity was particularly pronounced for Black, Hispanic, and American Indian households. In light of this data, the Commission believes that the proposal could potentially help ease housing costs within the Planning Area by facilitating the development of residential uses as well as retail and commercial uses. Furthermore, with the application of IZ and additional affordability requirements as provided in the MOU, the Commission is hopeful that the proposed amendments will increase the diversity of housing options in the Planning Area.

Community Outreach and Engagement - OP engaged the public by sending notices about the proposed zoning amendment to property owners and multiple community organizations, including the Anacostia BID, Barracks Row Main Streets, Capitol Hill BID, Capitol Riverfront BID, NVY BLK DC, and Washington Area Bicyclist Association. OP also hosted several public meetings and participated in multiple ANC meetings with ANCs 8F and 6B. ANC commissioners were invited to tour the site in October 2024 and share their thoughts and impressions about the proposed zoning changes. The Commission notes a report in support of the Petition filed by ANC 6B. In sum, the Commission believes that OP's community outreach and engagement was adequate.

NYE Zone complies with the petitions for new zones requirements of Subtitle X § 400

The Commission finds that the petition to create the NYE zone meets the conditions under Subtitle X § 400.1 *et seq.* for petitions to create new zones because:

- Subtitle X § 400.2 – The Commission believes the new zone encompasses “a well-defined geographic area with generally similar development characteristics and land use”; specifically, it is for a distinct site in the Navy Yard neighborhood along the waterfront that is identified for development in the Master Plan;
- Subtitle X § 400.3 – The Commission believes the new zone is not inconsistent with the Comprehensive Plan and applicable small area plans, as discussed above;
- Subtitle X § 400.4 – The NYE zone should not result in adverse impacts on the environment or adjacent lands, as the new zone incorporates several green building requirements for developments in the new zone, including LEED Gold certification, climate resilience strategies, and renewable energy standards;
- Subtitle X § 400.5 – The Commission believes that the new zone will not result in the undue diminution of property rights, primarily because of the relatively isolated nature of the Property site. Additionally, in these circumstances, the impacts of specific future development on the Property site will be addressed and mitigated through a design review process;
- Subtitle X § 400.6 – The Commission believes there is evidence of community support in the form of letters in support of the proposal, summarized above, as well as a report in support of the Petition from ANC 6B. While ANC 8F did not submit a response, the Commission notes that OP conducted community outreach with ANC 8F including meetings and tours with

individual ANC commissioners. The Commission believes that OP has provided specific information about the proposed changes to the site's development standards, as detailed in its reports; and

- Subtitle X § 400.7 – The Commission does not believe that the proposed NYE Zone involves a reduction in any development standard or property right as it proposes zoning on a Property site that is currently unzoned. Accordingly, the Commission does not believe this provision is applicable to the proposal.

FINAL ACTION

At its February 27, 2025, public meeting, the Commission voted to take **FINAL ACTION** to adopt the Petition, as published in the NOPR, and to authorize the publication of a Notice of Final Rulemaking:

VOTE (February 27, 2025): 4-0-1

(Gwen Marcus Wright, Tammy Stidham, and Anthony J. Hood, and Robert E. Miller to approve; Joseph Imamura not participating, not voting.)

In accordance with the provisions of Subtitle Z § 604.9, this Order No. 23-27 shall become final and effective upon publication in the *District of Columbia Register*; that is, on May 23, 2025.

IN ACCORDANCE WITH THE D.C. HUMAN RIGHTS ACT OF 1977, AS AMENDED, D.C. OFFICIAL CODE § 2-1401.01 *ET SEQ.* (ACT), THE DISTRICT OF COLUMBIA DOES NOT DISCRIMINATE ON THE BASIS OF ACTUAL OR PERCEIVED: RACE, COLOR, RELIGION, NATIONAL ORIGIN, SEX, AGE, MARITAL STATUS, PERSONAL APPEARANCE, SEXUAL ORIENTATION, GENDER IDENTITY OR EXPRESSION, FAMILIAL STATUS, FAMILY RESPONSIBILITIES, MATRICULATION, POLITICAL AFFILIATION, GENETIC INFORMATION, DISABILITY, SOURCE OF INCOME, OR PLACE OF RESIDENCE OR BUSINESS. SEXUAL HARASSMENT IS A FORM OF SEX DISCRIMINATION WHICH IS PROHIBITED BY THE ACT. IN ADDITION, HARASSMENT BASED ON ANY OF THE ABOVE PROTECTED CATEGORIES IS PROHIBITED BY THE ACT. DISCRIMINATION IN VIOLATION OF THE ACT WILL NOT BE TOLERATED. VIOLATORS WILL BE SUBJECT TO DISCIPLINARY ACTION.

“Great Weight” to the Recommendations of OP

The Commission must give “great weight” to the recommendations of OP pursuant to § 5 of the Office of Zoning Independence Act of 1990, effective September 20, 1990 (D.C. Law 8-163; D.C. Official Code § 6-623.04 (2018 Repl.)) and Subtitle Z § 504.6 (*Metropole Condo. Ass’n v. D.C. Bd. of Zoning Adjustment*, 141 A.3d 1079, 1087 (D.C. 2016)).

The Commission finds persuasive OP’s recommendation that the Commission adopt the Petition, as published in the NOPR, and concurs in OP’s judgment.

“Great Weight” to the Written Report of the ANCs

The Commission must give great weight to the issues and concerns raised in the written report of an affected ANC that was approved by the full ANC at a properly noticed public meeting pursuant to § 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d) (2012 Repl.)) and Subtitle Z § 505.1. To satisfy the great weight requirement, the Commission must articulate with particularity and precision the

reasons why an affected ANC does or does not offer persuasive advice under the circumstances (*Metropole Condo. Ass'n v. D.C. Bd. of Zoning Adjustment*, 141 A.3d 1079, 1087 (D.C. 2016)). The District of Columbia Court of Appeals has interpreted the phrase “issues and concerns” to “encompass only legally relevant issues and concerns” (*Wheeler v. District of Columbia Board of Zoning Adjustment*, 395 A.2d 85, 91 n.10 (1978) (citation omitted)).

The ANC 6B report expressed the ANC’s recommendation of support for the Petition and did not cite any issues or concerns (Ex. 20). The Commission concurs with ANC 6B’s recommendation.

Since ANC 8F did not submit a written report in response to the Application, the Commission has nothing to which it can give “great weight.”

DEPARTMENT OF **INSURANCE**, SECURITIES, AND BANKING**NOTICE OF SECOND PROPOSED RULEMAKING**

The Commissioner of the Department of **Insurance**, Securities and Banking, pursuant to the authority set forth in Section 705 of the Securities Act of 2000, effective October 26, 2000 (D.C. Law 13-203; D.C. Official Code § 31-5607.05), hereby gives notice of her intent to adopt the following amendments to Chapter 1 (Broker-Dealers, Agents, Investment Advisers, and Investment Adviser Representatives) of Subtitle B (Securities) of Title 26 (**Insurance**, Securities, and Banking) of the District of Columbia Municipal Regulations (“DCMR”) in not less than seven (7) days from the date of publication of this notice in the *District of Columbia Register*. A prior version of this proposed rulemaking was originally published in the *District of Columbia Register* at 71 DCR 015876 (December 20, 2024). After publication of the original proposed rulemaking, it was determined that certain revisions to the proposed amendments were required, and thus the notice is being republished with those additional revisions.

This rulemaking will update the District of Columbia’s regulations to allow broker-dealer agents and investment adviser representatives to participate in programs that will allow them to maintain their licensing examination qualifications for a period of up to five (5) years by completing annual continuing education requirements. It will provide flexibility for currently licensed persons who may decide to leave the industry for various reasons but wish to maintain their eligibility to return within five (5) years. The new rules will require such persons to meet continuing education requirements during their time away from the industry so that they remain current on regulatory requirements and industry developments. The new rulemaking also fixes some typographical errors in 26-B DCMR § 160, covering examination and qualification requirements for investment advisers and investment adviser representatives.

OFFICE OF THE DISTRICT OF COLUMBIA AUDITOR
ADVISORY NEIGHBORHOOD COMMISSION SECURITY FUND
ANNUAL FINANCIAL REPORT FOR FISCAL YEAR 2025

May 9, 2025

Purpose

As required by law, the Office of the District of Columbia Auditor presents the Advisory Neighborhood Commission (ANC) Security Fund Annual Financial Report for Fiscal Year 2025.¹ This report was drafted, reviewed, and approved in accordance with the standards outlined in ODCA's Audit Policies and Procedures.

Historical Background of the Fund

The Advisory Neighborhood Commission Security Fund (Fund) was established to insure ANCs against unauthorized expenditures or loss of funds. The Fiscal Year 2025 Budget Support Act of 2024 abolished the ANC Security Fund effective December 31, 2025.² D.C. law required the remaining balance held in the Fund to be transferred to the District's General Fund by January 15, 2025.³

The Fund did not cover any loss as the result of an expenditure authorized by a vote of a Commission. The Fund has been held in the custody of a Board of Trustees (Trustees) composed of the Secretary of the District of Columbia, the General Counsel to the Council of the District of Columbia, and the District of Columbia Auditor (Auditor). The Executive Director of the Office of Advisory Neighborhood Commissions served as a non-voting Trustee.⁴

An ANC has been eligible to participate in the Fund if the Treasurer and the Chairperson of the ANC agreed in writing to be personally liable to the Fund for any sum paid out by the Fund as a result of the Treasurer or Chairperson's wrongful misappropriation or loss of ANC monies. An ANC became a participant of the Fund and eligible to recover losses upon payment to the Fund of an annual contribution in an amount to be determined by the Trustees.⁵

D.C. law had required the assets of the Fund to be held in an interest-bearing account located in the District of Columbia.⁶ In addition, the law required that the Fund publish an annual report in the District of Columbia Register no later than 90 days after the end of each fiscal year.⁷

¹ D.C. Code § 1-309.14(f). This section of the Code requires an annual financial report no later than 90 days after the end of each fiscal year. The report has been compiled at this time due to the transfer of all Fund monies to the District General Fund in January 2025.

² D.C. Law L25-217, the Fiscal Year 2025 Budget Support Act of 2024, abolished the ANC Security Fund effective December 31, 2025.

³ D.C. Code § 1-309.14(g)(1).

⁴ D.C. Code § 1-309.14(a).

⁵ D.C. Code § 1-309.14(b).

⁶ D.C. Code § 1-309.14(e).

⁷ D.C. Code § 1-309.14(f).

**SUMMARY ORDER ON REQUEST FOR
MODIFICATION WITH HEARING**

Pursuant to notice, at its May 7, 2025, public hearing, the Board of Zoning Adjustment (“**Board**” or “**BZA**”) deliberated on a request for a modification with hearing to BZA Order No. 18906 to to construct a rooftop pergola with a retractable roof and temporary roll-down panels over the existing rooftop restaurant space. The Board considered the request for a modification with hearing under Subtitle Y § 704 of Title 11 of the DCMR (Zoning Regulations of 2016, the “**Zoning Regulations**” to which all references are made unless otherwise specified). For the reasons stated below, the Board **APPROVES** the request for modification.

ORIGINAL APPLICATION. In Application No. 18906, the Board approved the request by Endeka Enterprises and 1320 Penelope, LLC for a variance from the parking requirements under § 2101.1, and a special exception from the roof structure setback requirements under §§ 400.7(b), 411.11, and 777.1, to allow the conversion of existing office building into a mixed-use building in the DC/SP-1 and C-3-C Districts.¹ The Board issued Order No. 18906 on July 9, 2015. (Exhibit 4 of the record for Case No. 18906-C.) The approval was subject to nine conditions related to loading management and transportation demand management.

¹ The original application was filed under the 1958 Zoning Regulations that were in effect at the time.

PREVIOUS MODIFICATIONS: In Application No. 18906-A, the Board approved a modification to replace the office use on the second floor and the restaurant use on the sixth floor with additional inn space and to reduce the amount of parking in the garage from seven to six parking spaces. In Application No. 18906-B, the Board approved a second modification to expand the proposed mechanical penthouse area for accessory restaurant use on the partial seventh floor. (Exhibit 4.)

PROPOSED MODIFICATION. On January 17, 2025, the Applicant submitted a request for a modification with hearing to Order No. 18906. (Exhibit 24 (Revised).)² The proposed modification included a request to construct a rooftop pergola with a retractable roof and temporary roll-down panels over the existing rooftop restaurant space. The Applicant submitted revised plans reflecting these modifications. (Exhibits 8A1 and 8A2.)

Based on the proposed modifications, the Applicant requests:

- Special Exception from the penthouse setback requirements of Subtitle C 1504.1(c)(4), pursuant to Subtitle C § 1506 and Subtitle X § 901.2 (*1:1 height to setback ratio required, no side setback proposed*)

The zoning relief requested in this case was self-certified. (Exhibit 24B.)³

NOTICE OF THE REQUEST FOR MODIFICATION. Pursuant to Subtitle Y § 704.5, the Applicant served the request for a modification with hearing on the parties to the original application. (Exhibit 24.) The Board referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

PARTIES. The parties to this case were the Applicant and Advisory Neighborhood Commission ("ANC") 2B.

ANC REPORT. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on March 12, 2025, at which a quorum was present, the ANC voted to support the modification. (Exhibit 20.) The ANC report raised no issues or concerns.

OFFICE OF PLANNING ("OP") REPORT. OP submitted a report recommending approval of the modification. (Exhibit 27.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT did not submit a report to the record.

PERSONS IN SUPPORT. The Board received three letters from neighboring property owners in support of the application. (Exhibit 16.)

² The proposed modification was originally submitted in Exhibit 6.

³ The original self-certification form is in Exhibit 3; it was revised by the Applicant to correct the lot numbers from Lots 827 and 700 to Lots 827 and 7000.

CONCLUSIONS

Pursuant to Subtitle Y § 704.1, any request for a modification that does not meet the criteria for a modification without hearing⁴ requires a public hearing and shall be processed as a modification with hearing. The Applicant's request complies with Subtitle Y § 704, which provides the Board's procedures for considering requests for modifications with hearing.

As directed by Subtitle X § 901.2 and Subtitle Y § 704, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for special exceptions, and modification with hearing.

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form where granting an application when there was no party in opposition. As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

DECISION

Based on the case record and the testimony at the hearing, the Board concludes that the applicant has satisfied the burden of proof for a modification with hearing to modify Board of Zoning Adjustment Order Number 18906-B, to construct a rooftop pergola with a retractable roof and temporary roll-down panels over the existing rooftop restaurant space, and for the requested relief:

- Special Exception from the penthouse setback requirements of Subtitle C 1504.1(c)(4), pursuant to Subtitle C § 1506 and Subtitle X § 901.2 (*1:1 height to setback ratio required, no side setback proposed*)

Accordingly, it is **ORDERED** that the modification request is **GRANTED** consistent with the plans shown in Exhibits 8A1 and 8A2 of the record,

In all other respects, Order No. 18906 remains unchanged.

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
ZONING COMMISSION ORDER NO. 19-16(1)**

Z.C. Case No. 19-16

MCF WALP Phase 1, LLC

(Extinguishment of Consolidated Planned Unit Development - Square 481, Lot 23)

April 10, 2025

Pursuant to notice, the Zoning Commission for the District of Columbia (the “Commission”) held a public meeting on April 10, 2025, and considered a motion from MCF WALP Phase 1, LLC (the “Applicant”) requesting to extinguish an approved consolidated planned unit development (“PUD”) for Lot 23 in Square 481, with an address of 1200 5th Street, N.W. (the “Property”), approved in Z.C. Order No. 19-16. The Commission considered the motion pursuant to Subtitles X and Z of Title 11 of the District of Columbia Municipal Regulations (Zoning Regulations of 2016, the “Zoning Regulations” or “ZR16”, and to which all citations to the regulations herein are made unless otherwise specified). The Commission granted the motion to extinguish the consolidated PUD.

FINDINGS OF FACT

I. PROCEDURAL BACKGROUND

1. On March 31, 2025, the Applicant filed a motion requesting the Commission approve the extinguishment of the consolidated PUD that was approved pursuant to Z.C. Order No. 19-16, dated April 27, 2020, which became effective on January 8, 2021. The motion to extinguish was made pursuant to Subtitle X, §310.2.
2. Zoning Commission Order No. 19-16 approved the development of a new multi-family residential building on the Property. The approved PUD project would provide 360 apartment units, 103 parking spaces, and would have a maximum building height of 50 feet. The only party to Z.C. Case No. 19-16 other than the Applicant was Advisory Neighborhood Commission (“ANC”) 6E¹, on which the Applicant served the motion to extinguish on March 31, 2025. First Rising Mt. Zion Baptist Church and Miles Memorial Christian Methodist Episcopal Church (collectively, the “Churches”) submitted letters and provided testimony in opposition to the PUD Project.
3. After Zoning Commission Order No. 19-16 became effective, the Churches filed an appeal of the Zoning Commission’s approval of the PUD with the District of Columbia Court of Appeals (21-AA-52). On November 3, 2022, the District of Columbia Court of Appeals issued its decision which affirmed the Zoning Commission’s approval of the PUD. As a result, Z.C. Order No. 19-16 is still in effect until November 3, 2025 (by which date the Applicant is required to start construction activity).
4. Due to a number of factors, including the delay related to the District of Columbia Court of Appeals process, the Applicant decided that the future re-development of the Property

¹ When the Zoning Commission reviewed Zoning Commission Case No. 19-16 the Property was located within ANC 6E. The Property is now located within ANC 2G. The Applicant served the motion to extinguish on both ANC 6E and ANC 2G.

will occur in accordance with the matter-of-right development standards. The Zoning Commission's approval of this motion to extinguish the PUD approved in Z.C. Order No. 19-16 will allow the re-development of the Property to occur in a more expeditious manner, rather than just waiting until November 3, 2025, for Z.C. Order No. 19-16 to expire on its own terms.

5. At its public meeting on April 10, 2025, the Commission voted to approve the motion to extinguish the PUD approval of Z.C. Order No. 19-16.

CONCLUSIONS OF LAW

1. Pursuant to the Zoning Regulations, the purpose of the PUD process is to provide for higher quality development through the flexibility in building controls, including building height and density, provided that a PUD: (a) results in a project superior to what would result from the matter-of-right standards; (b) offers a commendable number or quality of meaningful public benefits; and (c) protects and advances the public health, safety, welfare, and convenience, and is not inconsistent with the Comprehensive Plan (Subtitle X § 300.1).
2. Once a PUD is approved, any construction on the PUD site that is not authorized in the order approving the PUD, including development under matter-of-right standards, is not permitted until (a) the validity of the PUD order expires; or (b) the Commission issues an order granting the applicant's motion to extinguish the PUD (Subtitle X § 310.2).
3. At the time of filing any motion, a party must serve all other parties, and all parties opposing a motion shall have seven (7) days from the service of the motion to file and serve a response (Subtitle Z §§ 407.3, 407.4).
4. The Commission finds that the Applicant served the motion to extinguish on all parties — in this case, ANC's 6E and 2G — on March 31, 2025, and neither filed a response within seven days of service of the motion.
5. The Commission understands that the Applicant no longer intends to build the approved PUD due to numerous factors. Thus, the Commission finds that granting the Applicant's motion to extinguish the PUD, pursuant to Subtitle X § 310.2, will allow the Property to be developed as a matter-of-right under the RA-2 Zone District.

DECISION

In consideration of the record and the Findings of Fact and Conclusions of Law herein, the Zoning Commission for the District of Columbia hereby **ORDERS APPROVAL** of the motion request of the Applicant to extinguish the PUD approved pursuant to Z.C. Order No. 19-16.
